Our main customers

They requested our services

Testimony

"TKI great value to NHV by consistently excelling in troubleshooting and maintaining helicopters in good conditions. TKI has an understanding of customer needs and instincts for identifying and solving issues during base maintenance. TKI has the combination of business acumen and technical skills"

"AIR TRANSPORT TRADING appreciates the job done by TEAM KOPTER INTERNATIONAL, in relation to support the sale and logistic of the helicopter from France to Slovakia. The PBI was performed on high level, your team responded to our requests promptly and enough flexibly. The logistics of the helicopter run smoothly without any delay. Looking forward to our next cooperation."
